Product Description

Pioneer 3600 PSI Pressure Washer - G3600PW

The Pioneer 3600 PSI, 2.5 GPM Pressure Washer delivers powerful cleaning performance for tough outdoor tasks. Ideal for driveways, decks, siding, and heavy-duty equipment, its 3600 PSI output effectively removes dirt, grime, and stains with ease. Designed for durability and reliability, this pressure washer features a reliable Briggs & Stratton® engine, user-friendly controls, and a Control Touch Project Selector to adjust PSI and flow rate easily with the turn of a knob.
