Product Description

STIHL FS 111 R Gasoline Grass Trimmer

When you need more power to cut through your landscaping tasks, the STIHL FS 111 R trimmer has the extra muscle you're looking for. Its low exhaust emission engine is powerful and provides 30% longer run times than the previous model. This professional trimmer features a three-step starting procedure that saves time and a vertical pleated paper air filter for extended service intervals. It also features a rubberized loop handle, providing a comfortable grip for working with ease while cutting.
